

Standard Rodeo Society  
Box 426  
Standard, AB T0J 3G0

The Standard Rodeo Society is excited to bring to the community and surrounding residents our first Gymkhana Summer Series. The series consists of event dates throughout July, August and September. We run barrels, poles and a mystery event at each date for contestants ranging in ages from 3 to over 60. This is a great learning environment designed to help every level of rider.

We are currently looking for support for our year end banquet to purchase prizes and awards, as the operating cost for insurance takes all of our membership and entry fees.

We greatly appreciate your consideration of supporting our club. Should you be able to donate financially or provide prize donations, we would greatly appreciate your support.

We can be reached at [standardrodeosociety@gmail.com](mailto:standardrodeosociety@gmail.com) or by contacting the following representative.

Sincerely,  
On Behalf of the Standard Rodeo Society,

Robyn Zakariasen
